A POEM FOR TEA

When the world is all at odds,
and the mind is all at sea.
Then cease the useless tedium,
and brew a cup of tea.

There is magic in its fragrance,
There is solace in its taste.
And the laden moments vanish,
somehow into space.

The world becomes a lovely thing,
there's beauty as you'll see.

All because you briefly stopped
to brew a cup of tea.
